Commitment to Truth and Reconciliation

In recognition of National Indigenous Peoples Day,
and in alignment with the CBE Education Plan,

Sir John A. Macdonald School

acknowledges and supports the Truth and Reconciliation Commission of Canada's (TRC) Calls to Action, and makes the following commitment to action for the 2024-2025 school year:

We are committing to centering Indigenous Knowledge in all learning to build intercultural understanding, empathy and mutual respect. To achieve this, we will intentionally embed resources and teachings from Indigenous Peoples in all subject areas, monthly.

We will continue to build upon Indigenous Knowledge within our school by inviting Indigenous Elders and community members to share knowledge across learning disciplines.

With the support of the Indigenous community, we will continue to center Land as Teacher throughout the year, with seasonal visits that connect Indigenous Knowledge and curricular content to the Land in our community.

Lastly, as a school, we will increase indigenous student voice and use the Indigenous Education Holistic Lifelong Learning Framework to guide school-based decision making, and hosting community events in efforts to establish positive and trusting relationships.
