

## SJAM Complementary Course Grade 7 Possibilities: 2026-27

Grade 7 students will select 6 classes they **hope** to take.

- Full course descriptions: [Sir John A Macdonald School Complementary Courses 2026-27](#)
- Please sign up before Monday March 2:
  - Ms. Reynolds ([sareynolds@cbe.ab.ca](mailto:sareynolds@cbe.ab.ca)) and Ms. Hornby ([mahornby@cbe.ab.ca](mailto:mahornby@cbe.ab.ca)) have visited the elementary feeder schools.
  - How? Through the student account in PowerSchool.
- In semester one, students are placed in 2 complementary classes (Sept – Jan).
- In semester two, students are placed in 2 different classes (Feb – June)
- Note: Band (full year) will be placed in the student's timetable regardless of the selection order (1, 2, 3, 4, 5 or 6).
- It is impossible for students to get their top 4 choices; we do our best!
  - Some classes are in high demand while we are limited by faculty space.
 Thank you for your understanding and support.
- If there is a low demand in a class, the course might not be offered in 2026-27.

### Art 7
